## Assessment Appeal Cost Boro \$83.67 Council Authorized Payment of Bill on Monday Night

Narberth Borough wound up its abortive tax assessment appeal on Monday night when Council approved payment of bills rendered to cover costs of making the appeal.

The appeal from the assessment reduction made on properties at 221-227 N. Narberth av. was filed in Montgomery County Court but was withdrawn at the last month when Henry A. Frye, the Borough's solicitor, advised against it.

It cost the Borough \$83.67 to employ expert real estate advice and institute legal proceedings.

Of this amount \$25 was authorized to be paid to Freas B. Snyder, Bywood real estate man and a former president of the State Real Estate Board. The remainder — \$58.67 — were the legal costs involved.

The solicitor, acting on Snyder's appraisal, told the Borough the appeal would probably fail and only result in further expenses for Narberth.

Henry P. Carr, chairman of the finance committee, asked for approval in the beginning and because his name was involved as the owner of the property, Roland Fleer, president of the Council, also insisted that the matter be cleared up through an appeal. When Council passed the motion on April 13, Fleer worded it and incorporated a provision that he would pay the costs if the appeal was sustained.

Now the costs will be paid by the Borough.

The 1941 assessment on the two properties was \$11,500 and the assessment reduction to \$8000 constituted a reduction of 36.8 percent.

## Ardmore and Narberth Become Serious Threats In Main Line Loop Race

Clash for Undisputed Possession of Third Place on Saturday; Gladwyne Defends Lead At Manoa on Sunday

Getting timely hitting behind splendid pitching and snappy defensive play, Ardmore and Narberth are two teams that rate very serious consideration in the Main Line Baseball League from here in.

Both teams have shown steady improvement and when they scored double victories last weekend they crept within striking distance of the leaders and blasted the belief that Gladwyne and Manoa would make it a two-way race.

Ardmore has won four of its last five games and Narberth has taken three victories in its last four contests. Both have won two in a row and are tied for third place, one game behind the second place Manoa team, defending champion.

The two teams will forgo their dual efforts of cutting down the distance between them and the leaders long enough to clash for undisputed possession of third place on Saturday. This battle, the feature scrap of the day, will be waged at the Wynnewood road playground, Ardmore.

However, this fray promises to be overshadowed by that between the first place Gladwyne nine and runnerup Manoa on Sunday at Eagle rd. and West Chester pike, Manoa. A victory for Manoa would

## Have We Vandals In Our Borough?

It seems hard to believe that any resident of Narberth, who has for even a short period had the pleasure of living in our pleasant community, would deliberately kill any of the beautiful trees on the community playground.

Yet someone has done just that.

Several of the trees at the rear of the Community Building, along the rear of the playground property, were girdled recently—that is, a ring of bark stripped off—which means certain death for a tree.

Such an act of vandalism cannot be countenanced. The police are investigating and our town sincerely trusts that the culprit or culprits will be caught and properly punished.

## Speaker Urges Plans For Peace Post-War Rehabilitation Must Be Organized Rotarians Hear

Planning for the peace to follow the present war is as important as the prosecution of the war itself, Richard Wood, of the Friends Peace Committee, told members of the Bala-Cynwyd-Narberth Rotary Club at their weekly luncheon Tuesday noon at the Overbrook Golf Club.

"Progress must be made," he said, "toward some form of world government. The political and relief work should come under an International Emergency Relief Committee. The nucleus for such an agency is now provided in the Sir Frederick Leith-Ross committee which is concerned at present with locating the world's supplies of food and raw materials and planning practical methods for their distribution and use after the war among the former victims of Nazi tyranny."

Wood was introduced by the Rev. Robert E. Keighon, chairman of the day. Dr. Richard Mears, president of the club, presided.

## 3 Team Battle For Montdel Lead

Brookline Wins Two Starts Without Being Scored Upon

Three teams are waging a battle for the leadership of the Montdel Catholic League as the teams swing into the third week of what shapes up as a hot pennant battle.

And the surprise package of the early rounds has unquestionably been the Annunciation club, of Brookline, who shares the top spot with Our Mother of Good Council, Bryn Mawr, and the new St. Margarets nine, from Narberth.

Annunciation not only has won its two starts, but has not been scored upon. Bob Martin's team banded the St. Laurence champs a 1-0 setback at Brookline Monday night for their most notable triumph to date.

However both Good Counsel and St. Margarets are even with the Brookline combination. Good Counsel upset St. Thomas, of Villanova, 5-1 Monday night, while St. Margarets spilled St. Denis 3-2 at Ardmore the same night. Previously Good Counsel and St. Margarets had fought to a 5-5 standoff in a feature game of the Thursday card.

Jim McCaughan's splendid pitching featured the victory turned in by Annunciation at the expense of St. Laurence. McCaughan, who caught for Penn State during the collegiate season recently closed, turned back Harold Bommer's team with three hits.

Annunciation had numerous scoring chances, but could not score on Frank Church until the final frame. In this round Church played a prominent part in his own downfall, for he walked lead-off batter Frank Martin, Walt Plantz came through with his second hit, then Church threw wild to first on Bill Cope's sacrifice bunt. baseball Eddie Galvin made a superb throw to save the run, but on the next play he bobbled Bill Ash's roller down the right field foul line, pinch-runner Jack Conway scoring the winning run.

Al Becker's superb relief hurling and a three-run rally in the fifth frame featured as St. Margaret's chopped out that 3-2 verdict over St. Denis. Becker stepped into the box in the second with two runs in and the bases crammed with none down.

Four Of Their Wedding Attendants Were Present At Reception

Among the forty guests were also four of the attendants at Mr. and Mrs. Toland's wedding. They were: Mrs. Lester Humphrey, of Oakmont; Mr. and Mrs. James Sherry, of Sharon Hill, and Mr. James Gillan, of Overbrook.

Mr. and Mrs. Toland received many beautiful gifts of silver, crystal and lace.

Mrs. Hayden Pereria, of Bala-Cynwyd, sang several selections, accompanied by Mrs. George Wiley, of Merion.

Unable to attend the celebration the Tolands' eldest son, Cade, James Edward Toland, 3d, telephoned his congratulations from Carlstrom Field, Fla., where he is an aviation cadet. Their other children, Cathryn, a sophomore at the University of Pennsylvania, and John, a junior at Lower Merion High School, were present at the party.

## A REQUEST TO STOP SPRINKLING

The existing works supplying water to Suburban Philadelphia cannot be further expanded during the War. The amount of water the present system can supply is all that can be furnished, and it must be used accordingly.

Water for war industries comes first; water for fire protection must be maintained; water for hospitals cannot be curtailed; and water for home use, and in those establishments on which home life depends, should not be diminished.

There Is Probably Enough Water For All Such Uses, If The Luxury Use Of Water, Such As Lawn Sprinkling, Is Stopped.

The County Councils of Defense have appealed to the public to conserve water and reduce lawn sprinkling. But experience during recent hot weather indicates that the seriousness of this appeal was not appreciated in a number of localities.

This Is A Request To Stop Lawn Sprinkling For The Duration Of The War

## Army-Navy Relief Games Arranged

As part of its contribution toward the war effort, the Main Line Baseball League has arranged all-star games with service teams for the benefit of the Army and Navy relief fund, next month.

The crack U. S. Marines Corps team which has been knocking off all opposition in semi-pro ranks will be the attraction for the Navy Relief game which will be staged at Narberth on Friday, July 17.

The Fort Dix, N. J. team, comprised almost entirely of minor league stars, will provide the opposition in the Army Relief game which will be played at Manoa on Tuesday, July 28.

Both games will start at 6 p. m. Walter Hanley, president of the league, explained that Narberth and Manoa were selected as sites for these games because they are the best drawing towns in the circuit and have ample facilities for handling large crowds.

Narberth was given the Navy game because Jack Jeffries, former president of the Lower Merion Township Board of Commissioners and a former coach and manager of the Narberth team, is now a lieutenant in the Navy. Reserves and may be able to participate in pre-game ceremonies.

The all-star team which will represent the league will be selected by a vote of the managers, umpires, sports writers and fans. Ballots will appear in local newspapers and will be distributed at games for this purpose.

Red Cross Suspend Summer Day Camp

Because of the war, the Main Line Branch No. 1 of the American Red Cross has announced that the Junior Red Cross Day Camp will not be held this summer.

The decision came as a result of a letter received by Mrs. E. S. Rock, teller, Chairman of the Junior Red Cross, from J. W. Faust, Regional Recreation Representative, stating that the riding does not permit authorization for buses for day outings or day camps.

The purpose of the order, he pointed out, is the conservation of rubber and gas and the riding is confined to summer camps where children go and stay for a week or longer.

Miss Davies' Pupils in Dance Recital

Pupils of Margaret Davies School of the Dance, Montgomery Court Apts., Narberth, will give their annual Spring recital on the evening of June 15 at the Narberth Public School auditorium.

Participating in the recital will be Peggy Ann Cadogan, Patricia Ann Clark, Joan Hill, Barbara Yawell, Elizabeth Bardsley, Nancy Hunsicker, Gwen Hunsicker, Joann Smedley, Barbara Offenhouer, Joan Hurst, Sally Jean Deasy, Lynn Wyckoff, Patty Linton, Janice Lee Aruther, Debra Patten, Norma Jane Arnold, Susan McAdoo, Joan Cooley, Eleanor Webster, Nancy Ellis, Miss Doris DeLaney will be the accompanist.

## Election Officials To Get Pay Raise

An increase of \$2 in the minimum pay of local election board officials, from \$5 to \$7, has been authorized by the Montgomery County Board of Elections, composed of County Commissioners Fred C. Peters, Foster C. Hiltz and Raymond K. Mensch.

Recent legal requirements have considerably lengthened the working day of election officials by obliging them to return ballot boxes, return sheets, etc. to the Court House as soon as their count is completed.

The County Board of Elections also felt that the conduct of elections could be further improved as a result of such a step.

In addition to the minimum compensation, Judges, Inspectors and Clerks of Election receive \$1 for each 100 ballots or fraction thereof after the first hundred.
